

REMARKS

In an office action dated June 22, 2004, the Examiner rejects claims 1-3, 5, 8 and 9 and objects to claims 4, 6, and 7. The Examiner also allows claims 10-18 and indicates claims 4, 6, and 7 would be allowable if combined with the base claim. In response to the office action, Applicant amends claim 1 to include claim 4 and cancels claim 4. Claim 1-3, and 5-18 remain in the application. Applicant amended claim 1 to include the allowable material of claim 4. Thus, claim 1 is allowable for the reasons indicated by the Examiner. Claims 2-3, and 5-9 depend from claim 1 and are allowable for the same reason as claim 1. In light of the amendment, Applicant respectfully requests that this application be allowed.

If the Examiner has any questions regarding this application, the Examiner may telephone the undersigned at 775-586-9500.

Respectfully submitted,
SIERRA PATENT GROUP, LTD.
